GREENHOUSES

HOBBY AND CUSTOM

8x8: \$3,195

## THE LEGACY

THE LEGACY hobby greenhouse kit is designed for those gardeners with big dreams and a small yard.

### STRENGTH

- Designed to withstand **32 psf snow loads** and **85 mph winds**
- Heavy aluminum frame spaced every 2 feet for maximum versatility and durability
- Unbreakable 6mm twinwall polycarbonate glazing on the roof and 3mm single tempered safety glass for your sidewalls

### MAXIMIZE YOUR GROWING SPACE

- Actual dimensions: 8' 7 1/2" x 8' 7 1/2"
- **75% more growing space** than typical 6'x8' greenhouses
- Ideal for hanging baskets and tall plants
- Extra width to accommodate larger benches

### ENERGY EFFICIENT

- Extra-large roof vent for ventilation
- **Solar powered automatic vent control** opens when you're not home
- Adjustable screened glass door panel for additional air flow

### EVEN MORE BENEFITS

- **Extension kit available** to increase size at later date
- Premium lockable, maintenance free storm door
- Clearly labeled parts and easy to follow written instructions
- **Lifetime warranty** and best technical support in the industry
