## THE PARKSIDE

8x10: \$7,295

8x12: \$7,795

## Limited Edition Greenhouse Model

Our black aluminum frame greenhouse with decorative ridge cresting and steep roof creates a beautiful English greenhouse look. The decorative base panels provide a fully finished look that eliminates the need for a permanent foundation.

Rated one of the strongest greenhouses available today, The Parkside is a maintenance free structure with a lifetime warranty. Beauty that will last a lifetime!
